

GENERAL TERMS AND CONDITIONS OF PURCHASE TEAM PLASTIQUE

ARTICLE 1 – PURPOSE AND SCOPE

- 1.1. These General Terms and Conditions of Purchase ("GTC") define the contractual conditions applicable to any order of products, supplies, services, or goods (the "Supplies") placed by TEAM PLASTIQUE (the "Buyer") with any supplier (the "Supplier").
- 1.2. Any order implies full and unconditional acceptance of these GTC, which prevail over all general sales conditions, order forms, or any other documents from the Supplier, unless previously agreed in writing by the Buyer or in the presence of a signed purchase contract between the parties.
- 1.3. TEAM PLASTIQUE may modify the GTC at any time. The applicable version is the one in effect on the date the order is placed.

ARTICLE 2 – FORMATION AND MODIFICATION OF ORDERS

- 2.1. All orders must be the subject of a written purchase order issued by TEAM PLASTIQUE. The order acknowledgment must be returned, validated, and signed by the Supplier within forty-eight (48) hours. The order becomes final only after express acceptance by the Supplier within five (5) working days of receipt.
- 2.2. Any order modification requested by the Supplier must be subject to TEAM PLASTIQUE's prior written agreement. The Buyer reserves the right to modify quantities, specifications, or deadlines, subject to reasonable notice.
- 2.3. TEAM PLASTIQUE reserves the right to cancel all or part of the order without compensation if the Supplier fails to fulfill its contractual obligations.

ARTICLE 3 – DELIVERY TIMES AND CONDITIONS

- 3.1. Delivery times stated in the purchase orders are firm and constitute an essential element of the contract. They begin from the date of the order or any other agreed date. Delivery is to be made to the production site at: Z.A du Val de Chère – 44110 CHATEAUBRIANT – FRANCE or any other location specified in the order.
- 3.2. In the event of delay, flat-rate penalties of 1% of the order amount excluding VAT per calendar day of delay will be applied, up to a limit of 15%, without prejudice to the right of termination or claim for actual damages.
- 3.3. Supplies are delivered "carriage paid" to the location indicated in the purchase order. The Supplier bears the risks and costs until TEAM PLASTIQUE receives and approves the delivery.
- 3.4. Packaging must be done in such a way that the carrier cannot be exempted from liability due to defective packaging if goods are found damaged.

ARTICLE 4 – TRANSFER OF OWNERSHIP AND RISKS

- 4.1. Ownership is transferred upon physical delivery of the Supplies to the Buyer's site or any other designated location.
- 4.2. Risk transfer occurs after TEAM PLASTIQUE performs a quantitative and qualitative inspection of the Supplies.
- 4.3. In case of non-compliance or partial delivery, the Supplier retains the risks until final acceptance.

ARTICLE 5 – RECEIPT AND COMPLIANCE

- 5.1. Each shipment must include a delivery note referencing our order number and item descriptions. Invoices must also bear these indications. Delivery notes must be accompanied by quality guarantees, inspection reports, certificates of compliance, or any specific documents mentioned in the order.
- 5.2. Receipt of Supplies is subject to quantitative and qualitative verification. TEAM PLASTIQUE undertakes to notify any non-compliance within three (3) days of delivery. Deliveries made more than seven (7) calendar days in advance may be considered non-compliant, potentially leading to rejection or storage fees. The goods may be placed in a 'dispute' zone pending resolution.
- 5.3. In case of non-compliance, TEAM PLASTIQUE may, at its discretion: request replacement or repair, return the goods at the Supplier's expense, or destroy them with or without reimbursement, without prejudice to compensation.
- 5.4. Receipt does not waive the right to claim for hidden defects or non-compliance discovered during use in production.

ARTICLE 6 – CONTRACTUAL AND LEGAL WARRANTIES

- 6.1. The Supplier guarantees that delivered Products or Services conform to the order, are free from defects (visible or hidden), and suitable for their intended use, complying with industry standards, applicable regulations, and safety, traceability, health, and environmental laws.
- 6.2. The Supplier shall replace or repair, at its sole expense, any defective or non-compliant Product promptly upon notification by TEAM PLASTIQUE, without prejudice to TEAM PLASTIQUE's right to cancel the sale, request a refund, and/or claim full damages.
- 6.3. The contractual warranty shall be valid for a minimum of twenty-four (24) months from the actual receipt of the Products or completion of Services. This may be extended if required by law or technical specifications.
- 6.4. The Supplier shall indemnify TEAM PLASTIQUE against any third-party claims, especially in cases of infringement, non-compliance, or damages caused by the delivered Products or Services.

ARTICLE 7 – PRICE – INVOICING – PAYMENT TERMS

- 7.3. Unless otherwise stipulated, payments are made by bank transfer forty-five (45) days end of month from the invoice issue date, in accordance with article L.441-10 of the French Commercial Code.
- 7.4. No advance payment shall be required without a prior written agreement. In the event of a dispute over part of the invoice, TEAM PLASTIQUE reserves the right to suspend full payment until the issue is resolved, without incurring interest charges.

ARTICLE 8 – INTELLECTUAL PROPERTY

- 12.2.** Termination shall take effect on the date of dispatch of the notice, without any further formalities.

ARTICLE 15 – MISCELLANEOUS PROVISIONS

- 15.1.** The fact that TEAM PLASTIQUE does not invoke any provision of the GPC at a given time shall not be interpreted as a waiver of its right to do so later.
- 15.2.** If any provision of the GPC is declared null or unenforceable, the remaining provisions shall remain in full force and effect.

ARTICLE 16 – SUBCONTRACTING AND ASSIGNMENT OF CONTRACT

- 16.1.** The Supplier shall not subcontract all or part of its obligations without the prior express written consent of TEAM PLASTIQUE. In the event of such consent, the Supplier remains solely responsible for the execution of the order.
